4. **Hundreds of backgrounds and props** to choose from. The backgrounds should match your outfit and the look of the portrait. It should compliment you, never overpower you.
5. **True professional equipment** can capture more beautiful detail than ever before. We use top of the line cameras and lenses. Our large variety of equipment allows us to be able to capture any look you can dream up.
6. **Senior portraits you will be proud of forever.** You have your portraits made for right now, but you're also going to have them for the rest of your life. A Gambrell Photography senior photograph is one you will enjoy as much in ten or twenty years as you will right now.

Your senior portraits are much too important to trust to anyone else.

## We want to capture who you are, not just what you look like.

We are all unique individuals.

We want to capture who you are in as many ways as we can. Sure, this includes mainstream school sports and activities, but goes much further.

Extracurricular activities, hobbies, your current job, your career path, your college choice. Don't forget your favorite possessions and other passions. These are the things that define you at this point in your life. They should be included into the story of you that you are creating.

This is what we are after. The REAL you. Not some mold that everyone else falls into.

We believe three things:

1. Your senior pictures should make you feel beautiful from the inside out.
2. Offering a variety of styles for the senior that wants something different.
3. Making your senior portrait experience something you will remember forever.

## We Have a Session for Everyone

Your senior portraits are a big deal. This is one of the most important times of your life. Select a portrait session that gives you and your parents the variety you want.

*If you need help deciding on a session, please give us a call.* We are more than happy to talk with you about your ideas and help you select the session that right for you!

# Elite Sessions

**CALL NOW TO SAVE 20% OFF JUNE ELITE SESSIONS**

Elite sessions are for seniors who want to have a wide variety of images.

These sessions are based on time and allow you as many casual outfits as time permits. We suggest one traditional outfit and several that match your style and personality. See our tips for clothing and planning at [gambrellseniors.com](http://gambrellseniors.com). All sessions include your formal (tux/drape).

We combine exclusive backgrounds, props, and cutting edge lighting and posing techniques with state of the art professional equipment to capture the most detail possible while making you LOOK and FEEL your best! Each senior session is an exclusive experience specifically tailored to your style, your interests and your outfits.

When planning your session *bring all your sports gear, uniforms, hobbies, and anything that makes you unique for some very personal images.* Some of these looks that require special lighting or include props may take longer. We call these deluxe looks. *Deluxe looks include things such as sports, hobbies, pets, glamour or fashion styles.* For your sports deluxe looks we use special dramatic lighting. Glamour or Fashion lighting is another option most senior girls want to include. Seniors also choose to bring their awards, plaques, trophies and other memorabilia for one of their deluxe looks.

## How it works

CALL → SCHEDULE → SHOP → SHOOT → ORDER → PICKUP

First, call to discuss what you want. We will talk ideas, plan locations and answer any questions you might have. Then we can set your date.

When scheduling have your credit card ready because your session fee payment is due to reserve your session time and date.

Then shop for the perfect outfits. See our tips at [www.gambrellphotography.com/seniors/tips/](http://www.gambrellphotography.com/seniors/tips/) to guide you.

On the day of your photo session make sure to be on time and have your hair and makeup how you want it. We will have fun capturing your look and style. On this day, your minimum order is due. The amount of your minimum depends on which session you have selected. Your entire minimum order will apply towards the products you choose to order.

Once we finish your session, an ordering appointment will be scheduled for you and your parents. At this appointment, you will be treated to a personalized show of your images in our theater room. At this time you will place your order. Half of your order total is due at ordering and the other half is not due until you pick up your order. Your minimum order amount is applied to your order total. Payment plans are also available.

A parent and/or guardian is required to be present in person during the ordering appointment. In addition all family/friends interested in ordering should be present. It is best for young children to stay home during this appointment.

If you and your parents are unable to attend your scheduled ordering appointment please notify us via phone at least 48 hours prior to the appointment. If we are not notified to reschedule, each additional ordering appointment will incur a \$25 fee.

**All sessions are prepaid and any changes must be made more than 48 hours before your session. For any questions please call us at 478-237-8853.**

At Gambrell Photography, we do everything possible to make your senior portraits both convenient and affordable for almost any budget.

## Why it's important to call right now.

The portraits you see here and on our website look as good as they do because we spend a lot of time during our elite sessions. Unfortunately, this limits the number of seniors we can photograph during the summer.

That's why it's important to call for your appointment right now, even if you want to have your portraits taken later in the summer.

Late July and early August sessions are the most popular.

If you wait to call until July chances are we will already be booked up until school starts.

## What Do I Get?

Many photographers only give you part of what you need. At Gambrell Photography, we have it all!

We offer a wide variety of products including gift portraits, wall portraits, galleries, graduation announcements, metal clusters, our most popular senior albums and much more. We also offer many packages and collections to meet everyone's needs. Depending on your session choices some seniors spend \$300, some spend over \$3000—but what you get is up to you!

### You Deserve to be to Hung! on your mama's wall

You're going to want prints for Mom's wall and family. Photographic prints are not so much for the senior, they are for those who love them!

### Get Booked! Your custom album is your story. Let it show who you are

Albums are our most popular product! We offer several styles to fit your needs.

### Screen Time! because we can't get enough of our phones

Although we think prints are the most important for the future, we all want photos on our phones as well! Many of our products have accompanying images for phone and social media.

### Lots More These are just the beginning

Invitations, Metals and more

## FYI...

### How many outfit changes do I get?

Our photo sessions are time based, not outfit based. So if you book a 1 1/2 hour session, you get as many poses and outfits as we can fit into 1 1/2 hours. The faster you change, the more variety you get. On average, most people get about 3 clothing changes per 1 1/2 hour. If you're fast, a little more, if you are slow or have an idea that takes a little time to set up, a little less. So bring several outs to pick from and we will help you narrow it down.

### What should I bring?

If you choose a Signature or above session, be sure to include all your activities by bringing all your gear. *Don't forget the football pads, guitars, hunting gear, bats, balls, clubs, soccer stuff, gloves, books, dancing shoes, rackets, awards and lightsabers. Make sure you get with your coaches to get your uniforms before the day of your session!*

### Senior Ads

Your seniors images can be used for sports program and yearbook ads. However, images will only be sent to your yearbook or sports program for ads after they have been viewed and ordered.

*Digitals can be added to your order for those needing to design their own ads.*
